A single live team building program typically sells for \$2,500 and up. Each DIY Toolkit team building programs is only \$397 and the bundle of 3 programs is \$997. That's a potential savings of at least \$7,000 if you only use each program once.

BONUS: For a limited time, you'll receive a fourth mini program free. This is our team version of the popular game show Minute To Win It. You can use them individually as ice breakers at your meetings or all together as a mini event.
